COOPERATIVE PRESCHOOL

Jack and Jill is a Cooperative Preschool. Our parents and teachers work together for the good of the school. The parents are involved in the day to day operations of the school, which gives parents the opportunity to be involved in their child's impressionable preschool learning experience.

Some of the activities we as parents need to participate in include: Helping at the school on your assigned working days (1 to 2 days per month), organizing and working at one to two classroom parties per year, attending all required parents meetings (three per year), participating in toy cleaning (usually once per year) and participating in fundraising which helps to pay qualified teachers, buy learning supplies and keep tuition reasonable.
